

Biography

Dr. Kimber Boothe, PharmD, MHA is a pharmacist, healthcare leader, and entrepreneur with decades of experience in Health Systems and the pharmaceutical industry. She is a graduate of the University of Connecticut School of Pharmacy and Medical University of South Carolina College of Pharmacy, University of Phoenix Masters in Health Administration program, and completed residency training at Virginia Commonwealth University Medical College of Virginia Hospitals.

Kimber is the founder and CEO of the Kimber Boothe Group where she provides coaching, consulting, courses, and speaking on strategic pharmacy leadership. She calls herself a connector and a pharmovator. Kimber previously led the pharmacy services for a four hospital community health system where she is drove innovative strategy for the pharmacy enterprise as System Director of Pharmacy. She was also the Director of Clinical Pharmacy Services at Yale New Haven Health. She is passionate about spending time on the right things to develop others and deliver strategic, focused results. Her motto is Pharmacy Can do More with More and her goal is to support the addition of 100 new health system pharmacy positions annually.

She is past chair of the Kentucky Society of Health System Pharmacists (KSHP) House of Delegates. Her prior organization has been recognized with the KSHP Innovative Health-System Pharmacy Practice Award and she is the recipient of the Connecticut Society of Health System Pharmacists Meritorious Achievement Award.
